Unannounced Compliance Inspection – March 25, 2016

Dear Mr. Gibson:

On March 25, 2016, staff from the Virginia Department of Environmental Quality's Blue Ridge Regional Office and Central Office conducted an inspection of the solid waste management facility operating under SWP610. During this inspection, the facility was evaluated for compliance with the Virginia Waste Management Act, Virginia Solid Waste Management Regulations (VSWMR, 9VAC20-81-10, et seq) and SWP610.

During the inspection, no apparent violations of your permit or the VSWMR were observed. A copy of the inspection checklist is enclosed.

If you have any questions, please contact me at (434) 582 - 6226 or [Douglas.Foran@deq.virginia.gov](mailto:Douglas.Foran@deq.virginia.gov).

Sincerely,  
  
Doug Foran
